OF FEDERAL AVIATION EMPLOYEES
New York Metropolitan Chapter
Office of the President**

January 14, 2010

To our Haitian Family,

On behalf of the National Black Coalition of Federal Aviation Employees, New York Metro Chapter, I would like to extend my deepest sympathies to our members and their families affected by the Earthquake Tragedy on January 12, 2010. I, personally, was very saddened to see and hear about the effects and deaths of your family members.

I know that your faith, family and friends will help you make it through this challenging time. You, your family, the Haitian community and all the people of Haiti are in our thoughts and prayers.

We have solicited donations to send for Haiti Relief through various aide organizations. In addition, we are setting up collections for donations of supplies to send to the people of Haiti. We will continue to support the mission to “Stand Up” Haiti and regain its posture.

Remember:

today and forever.

In Unity,

Donna Ann Harze
NBCFAE, New York Metropolitan Chapter President
